

Hi folks...

here's a youtube link with the "Donald" on Letterman last week... watch starting at 9 minutes if you don't want to sit through the whole video... Donald has a very interesting suggestion for ending the debt "catastrophe" that the world cannot recover from.... It fits right in with "Operation Blackjack" . If you watch the video, you will understand what I mean....

It may be time to DUCK AND COVER once again...!!!
