

Hi everyone,

I glad to announce that tomorrow we will have our very first conference call for True Bread. This will enable everyone without a computer to call in, toll-free, and listen to our studies. There is only a minimal monthly charge to me based upon how many people dial in. If you have a computer, it would probably be more useful for you to link up to the webcast. Just visit www.truebreadfellowship.org and click on the bible study tab, which will bring you to the webcast link. (Website is being updated daily...!!!)

For the call-in, dial: 888 296-6828

Use PIN: 473580# when prompted (remember to hit the pound key...!!!)

If you attempt to join up, and cannot, please call my cell phone with details: 804 677-6576.

We will have the lines open for a few minutes prior to the beginning of the study, which will start at 3:00PM local time here in VA. After there study, I will probably end the call-in, as it gets hectic here quickly after the bible study...

I look forward to having you dial in...!!! Tomorrow will be a CRUCIAL study....

Todd
