

Hi folks,

Here is a MUST READ article, to supplement my previous email on "Strike three"....

http://forum.atimes.com/topic.asp?TOPIC_ID=15088

As you may know if you have been watching the bible study videos, recently a Congressman appeared on C-Span discussing the financial crises and events concerning a \$550 BILLION electronic withdrawal that occurred in September 2008. I thought the Congressman had mentioned the date as "September 18 2008", but I was mistaken. I will let you read for yourself the correct date that he was referring to.

Please read these links thoroughly, and please spread them around.

I'll have more to say on this at the next bible study....
